

GREENEX SELAGINELLA MARTENSII 'FROSTY FERNS'

SELAGINELLA MARTENSII 'FROSTY FERNS'

This beautiful plant grows with small scale-like leaves on branching stems with white edges. It thrives best in bright condition, but does not tolerate direct sunshine.

Keep moist all the time, do not let it dry out and you will have pleasure of it for a very long time.

For more information feel free to contact one of our representatives and visit [Greenex.com](https://www.greenex.com).
