

GREENEX CRYPTANTHUS ASSORTMENT

For more information, please visit [GREENEX.COM](https://www.greenex.com) or [CONTACT YOUR LOCAL SALES REPRESENTATIVE](#).

CRYPTANTHUS ASSORTMENT

Cryptanthus belongs to the bromeliaceae family. We have them in stunning colours and supply them in various sizes.

With the Cryptanthus you only need to root and sell – no need to wait any longer.

Great for mixing with other succulents to create unique displays. Try using the Red Star as part of your Christmas assortments!
