# SANSEVIERIA CYLINDRICA

In Sansevieria Cylindrica, we can go many ways. We can produce shapes & sizes that you like.

In this way, we are able to find the right match against very good prices. Next to that we have a production of Braids and Straights in various pot sizes.

We also have the possibility to grow the natural cylindrica and supply you as URC or rooted pot plants.

On demand, we can do many more!

For more information feel free to contact one of our representatives and visit [Greenex.com](https://www.greenex.com).
