# TROPICAL TC BY SMIT

Greenex is proud to represent Smit Nurseries in Holland to supply their unique genetics through offering tissue culture.

Smit Nurseries for many years have been well known for growing and breeding strong, unique and long-lasting indoor plants in Holland.

We are pleased to be able to now offer those same genetics to the North American market.

For more information feel free to contact one of our sales representatives and visit [greenex.com](http://greenex.com).
