

# Queen<sup>®</sup> Tiara Euphorbia<sup>™</sup>

At Queen<sup>®</sup> we are setting new quality standards in Euphorbia breeding, focusing on the following selection criteria:

- Large flowers in vibrant, long-lasting colors.
- Compact, well branched growth and appearance.
- Well documented improved longevity and ornamental value.
- Well documented high level of ethylene resistance.
- Need for limited chemical growth regulation, leading to improved keeping quality.
- Optimal plant quality, throughout the season, including early spring and late autumn, as well as production in warm climates or harsh winter conditions.

# Queen® Tiara Euphorbia
