

GREENEX AGLAONEMA ASSORTMENT

AGLAONEMA ASSORTMENT

Aglaonema is part of the Aracea family and native to Southeastern Asia.

Greenex has changed the focus from the green varieties to a range of colorful plants. They are wondrously eye-catching. Feel free to explore our varieties.

For more information feel free to contact one of our representatives and visit [Greenex.com](https://www.greenex.com).

'CRETA'

Foliage: This Aglaonema variety has beautiful dark red colored leaves. It is a nice compact and strong variety with a high show factor.
Recommended pot size: 12 cm (5"), however it depends on the amount of cuttings used.
Availability: As unrooted cuttings all year round.

'VALENTINE'

Foliage: Very positive response from indoor decorators we also get from this white-green colored Aglaonema variety. This variety is a great added value to the world of indoor plants.
Recommended pot size: 12 cm (5"), however it depends on the amount of cuttings used.
Availability: As unrooted cuttings all year round.

'OSAKA'

Foliage: This Aglaonema variety has beautiful pink variegated leaves. It is a nice and strong variety with a high show factor.
Recommended pot size: 12 cm (5"), however it depends on the amount of cuttings used.
Availability: As unrooted cuttings all year round.
