PILEA PEPEROMIOIDES

Chinese money plant or Pilea peperomioides.

A Decorative, easy and different Green living room plant with round evergreen leaves which gives the plant a different expression.

It matches the dream of modern consumers who would like to live green in an easy way.

Thrives best in cool surroundings with lots of light. Keep the soil moist, but don't let the plant soak in water.

Works great in hanging baskets and as for sizing we recommend:

1 cutting in a 10 cm – 4” pot.

2 cuttings in 15 cm – 6” pot.

5 cuttings in a 20 & 25 cm - 8 & 10” pot.
