

# GREENEX EUPHORBIA LACTEA ASSORTMENT

---

# EUPHORBIA LACTEA

Ever wanted to see the coral reefs? Just look at these Lactea. They come in various colours and their curly shapes make them just as beautiful as coral.

Lactea is easy to take care of and even if you forget to water it for a while, it can still recover.

For more information feel free to contact one of our representatives and visit [Greenex.com](https://www.greenex.com).

'GRACIA'

'SENSATION'

'SENSUAL'

**Euphorbia lactea** is a Cactus-like plant.

The Gracia is a grey variety mixed with green colors. A great pot-plant combination can make this a beautiful item for modern households!

**Recommended pot size:** 10-12 cm (4-5")

**Availability:** As unrooted grafted cuttings all year around. By air or sea shipment.

**Euphorbia lactea** is a Cactus-like plant.

The Sensation is a true eye-catcher! It has a nice grey color. In comparison with other varieties, the red color is more obvious. It therefore makes it a very nice variety!
