## CHLOROPHYTUM LAXUM

The variegated leaves of this plant make it attractive to many of us. The narrow, green leaves have nice white stripes on them.

The plant is often used in high pots, hanging baskets and also combined with other plants in added value decorations.

For more information feel free to contact one of our representatives and visit Greenex.com.

## CHLOROPHYTUM LAXUM

#### Foliage:

Variegated green foliage. Smaller size plants can be perfectly used in plant combination or added value products. The plant is also beautiful on its own, and perfectly suits in every household.

**Total height including pot:** 25 cm (10")

Recommended pot size: 10-15 cm (4-6")

### Availability:

As bulbs all year round.
